

2022 PROMISE Scholarship Core Course List

The CORE gpa is calculated using **ALL** core courses and corresponding grades, according to county grading policies. Dual credit courses will be included, if applicable. Weighted grades are permitted, if county grading policies permits. Only courses approved by the West Virginia Department of Education to fulfill the graduation requirements in accordance with Policy 2510 will be used in the core gpa calculation for public high school students. If you should have any questions regarding the course requirements, please contact our office.
